ST TIMOTHY'S LUTHERAN CHURCH | MARCH 2023

Pastor's Pen

"What are you giving up for lent?"

Maybe you've been asked this question before. Or maybe you've asked it to someone. Lent is the season of the Church Calendar between Ash Wednesday and Easter, and is often known for the practice many people make of fasting, or "giving up" something, for its duration. They give up chocolate, coffee, alcohol, or something else. But the point of giving up something isn't just that we would stop doing something, but that in doing so, it would create a space in our lives where, by His grace, God could work in us something new.

This lent at St. Timothy's, we will be doing something special with our evening Lenten services. Rather than having our pastors preach on Wednesday evenings, each week you will hear a story of God's faithfulness from a member of St. Timothy's. Someone joked with me, "Pastor Joe, does that mean you're giving up preaching for lent?" Not exactly! The point of this is not that the pastors *aren't* preaching during lent. It is rather about who *is*!

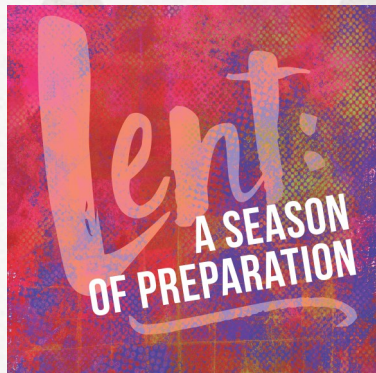

We want to lift up stories from within our church family so that you can hear and be encouraged by what God is

up to in the lives of the people that you often sit with in the pews. We want you to hear the kinds of stories you don't often hear in a church setting- of how God is active and working in the lives of normal people. Because we know that when God brings people to a church, He does so not just as consumers, but as people uniquely gifted with something to offer that can and will build up the rest of the church body. We believe it to a fundamental truth about a community of faith that each person is here for a reason, and each person has something to offer to build up the church!

Ephesians 4:16 says, "*From him [Jesus] the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.*"

This lent, we will be built up by the stories of some of our own- voices that we do not often hear from- and I know that we will be greatly blessed from that! My prayer for you this lent is that you would spend this season asking God to show you what unique gifts and passions he has given you for building up the church and spreading the Good News beyond its four walls, and how you might use them!

In Christ,
Pastor Joe

Thank you to all St Tim's members and others who made my big birthday celebration in early February so special. That is, special to me. The celebration wasn't so big, but my birthday number is pretty big. I'm still getting used to the number 90. I never expected that so many of you at both the Traditional and Contemporary services would come by to wish me a happy birthday, to chat, to inquire of my plans for special activities, and to sample a small piece of birthday cake. I feel so honored, and so blessed. Thanks be to God.

And thanks be to Pastor Jim, Pastor Joe, and our St Tim's leaders all of whom model St Tim's as a very welcoming and worshipful church..

Plus thanks to Elizabeth Kuriyan for decorating and arranging the Coffee & Gathering Room to emphasize that something special was happening there.

And ... to my beloved wife, Maxie, who provided the birthday cake and some homemade chocolate bars.

Dear St. Tim's Family,

Words cannot express how grateful and humbled our family is for the outpouring of love, prayers and support since my surgery in December. You have

once again carried us through such an overwhelming and exhausting time. Also, for those of you who contributed to the Meal Train...Wow! We had no idea what amazing cooks our church community has! You have blessed us beyond words with your gift of nourishment when we had no time or energy to be cooking. We thank God for all of you and continue to ask for Him to pour blessings over all of you for your goodness and servant's hearts!

I am recovering at home and getting stronger every day. We so appreciate your continued prayers. Thank you again for helping us to feel the love and care of God through all of you!

In His Love,

The Phelps Family

A service project for all ages to send love and encouragement to our St. Tim's College Students.

St. Timothy's is putting together care packages for our college students. This is a great way to let them know that we care about them and to connect with them in a meaningful way. Whether they are studying from home or far away we want our students to feel loved by and connected with their family of faith at St. Timothy's. Thank you for your partnership in this effort.

WE NEED DONATIONS! Bring items to church entryway or office.
